Sub: Regarding Access of data of Atal Amrit Abhiyan as base data for the development of Digital Infrastructure of DBT schemes (DIDS).

Madam,

With reference to the subject cited above, I am directed to inform that under ASPIRe project, the AS-CFMS society envisaged a platform to be built to optimize the service delivery, creation of a data base of beneficiaries and a system which could cater to the need of the departments to launch and successfully run various DBT schemes in the state.

The technical team and the SI of DIDS has studied various schemes and found that the beneficiary registration process of Atal Amrit Abhiyan scheme is very much robust and the data is technically verifiable. So, for creation of beneficiary registry and further development of the digital platform, it is unambiguous to select the existing database of "Atal Amrit Abhiyan" as base data.

You are, therefore, requested to provide the schema details of the data structure, attributes of schema, and a sample data of 100 registered beneficiaries of Atal Amrit Abhiyan scheme for testing. Also, for further development, the SI team of DIDS will visit your good office for better understanding of the procedures, data structured, and processing. So, kindly nominate a point of contact for this developmental process.

 Yours' faithfully

Commissioner & Secretary to the Government of Assam
